

AGRISOURCE

BIO STIMULANT

BridgewayTM

Bridgeway is a liquid fertiliser, 100% organic based on vegetable amino acids and peptides. It is rapidly absorbed by leaves and translocated in plant tissues, and in a few hours can optimise its function within the plant.

Liquid Organic Fertiliser, Vegetable Amino Acids,
Total Nitrogen (N) 5%, Biological Organic Carbon (C) 17.8%

DIRECTIONS FOR USE

Bridgeway is suitable for use on all agricultural and horticultural crops throughout the growing phase:

Antistress Action: Helps the plant during stress periods (excessive heat and cold, drought, low light, hail damage, etc)

Biostimulant Action: Improves plant growth and supports the major growth phases (vegetative, flowering, reproductive, fruiting).

Nutritional Action: Compliments the fertiliser and nutritional programme, due to the biological activity (polypeptides and amino acids) that can enhance photosynthesis and growth

USE RATE

1.0 - 3.0 L/ha at each application

WATER VOLUME

Greater than 100L/ha depending on the crop.

MIXING

SHAKE WELL BEFORE USE. **Bridgeway** is miscible with the most common crop protection products and fertilisers. Before using we recommend testing for compatibility.

PROTECT FROM FROST

SAFETY PRECAUTIONS

The product is stable at ordinary temperatures and pressures. Store in a dry place at temperatures between 4 and 35°C. Keep out of reach of children and animals. Do not eat when using this product. Avoid contact with eyes and skin. If on skin, wash with plenty of soap and water. If in eyes, rinse with cold water. Remove contact lenses if present and easy to do so. Continue rinsing. In case of accidental spillage, in case of accidental spillage, collect with absorbent material.

CONDITIONS OF SUPPLY

All goods supplied by us are produced under rigid quality control procedures which assure the purchaser that at the time of sale they are physically suitable for use in the manner stated. However, to the extent permitted by law, buyers and/or users of the goods accept that neither the manufacturer, Agrisource as the distributor have any liability or responsibility whatsoever for any loss, damage or injury whether in contract or tort, whether direct, indirect or consequential howsoever rising in connection with the supply of these goods.
