

HARMFUL - KEEP OUT OF REACH OF CHILDREN

**ADJUVANT FOR ORGANIC PRODUCTION**  
**Agricultural / Horticultural Wetting and Spreading Agent**

**ACTIVE INGREDIENT**

Alcohol Ethoxylate.....135.8 g/L

Read label before use. Do not handle until all safety precautions have been read and understood. Use personal protective equipment as required.

**WARNING** – Flammable liquid and vapour. Causes serious eye irritation.

NOT REGULATED AS A DG FOR TRANSPORT refer to section 14 of the safety data sheet for more information.

**PRECAUTIONS**

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.

**STORAGE:** Keep out of reach of children. Store in original, tightly closed container, in a secure place.

**PERSONAL PROTECTION:** Keep away from heat, hot surfaces, sparks, open flames, and other ignition sources. No smoking. Keep container tightly closed. Ground and bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting equipment. Use non-sparking tools. Take action against static discharge. Wash thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.

**PRODUCT DISPOSAL:** In the event of spillage or leakage, soak up the material with absorbent clay, sand, sawdust or other absorbent materials. Wastes resulting from the use of this product may be disposed of at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Pack size up to 60L: Triple rinse empty container and add rinsings to spray tank. Discard the container at your nearest Agrecovery collection point or crush and bury container in a suitable landfill.

Pack size over 60L: Triple rinse empty container and add rinsings to spray tank. DO NOT dispose of undiluted chemicals on site. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush or puncture and deliver empty packaging to an approved waste management facility.

### FIRST AID

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

**IF ON SKIN (or hair):** Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical advice/attention.

**IF INHALED:** Remove to fresh air and keep at rest in a position comfortable for breathing.

**IF SWALLOWED:** Rinse mouth. Do not induce vomiting.

If poisoning occurs, contact a Doctor or the National Poisons Centre 0800 POISON (0800 764 766). Have the product container or label with you when calling a doctor or poisons centre or going for treatment.

**EMERGENCY RESPONSE:** In case of fire: Use water fog, foam, dry chemical powder, carbon dioxide (CO<sub>2</sub>) for extinction.

For hazardous materials or dangerous goods incident: Spill, Leak, Fire, Exposure or Accident Call CHEMTREC Day or Night: New Zealand: +(64)-98010034 / Outside of New Zealand: +1(703)741-5970 (CCN 4897)

### GENERAL INFORMATION

OROBOOST is a spreader, penetrant and wetting aid to enhance distribution and efficacy of miticides, insecticides, fungicides, herbicides, nutrients, and plant growth regulators.

### DIRECTIONS FOR USE

Prior to use, read all the directions on this label and on the label of the manufacturer's insecticides, miticides, fungicides, plant growth regulators, dormant oils and/or nutrients being used with this product. The manufacturer's label for specific usage and restrictions has precedence over directions for use referred to on the OROBOOST label. To ensure thorough mixing, it is suggested that you recirculate mini tanks and bulk tanks or shake containers before using. Ensure spray equipment is thoroughly cleaned before using OROBOOST. Coatings on inner tank and spray lines, from previous chemicals sprayed, may be dissolved by OROBOOST, thereby releasing it into the mix about to be sprayed. If in doubt, applying as directed, add 0.6 liters of OROBOOST to 75 liters of water circulate through system for 20 minutes, spray to waste. Thereafter, mix as prescribed for regular spraying. Treat a small area and observe results. If the results are satisfactory, proceed with a complete application.

### MIXING

Fill tank one-half full with water. Add the required amount of other tank mix products while agitating. Add remainder of the water. Add the recommended amount of OROBOOST last and continue agitation until completion of spraying. For best results, use within 24 hours of mixing. Antifoam and buffering agents may be used if required.

### APPLICATION DOSAGE RATES

#### CROP

**All Crops** (\*Ultra Low Volume Equipment)

ALREADY APPROVED AGROCHEMICAL PARTNERS	OROBOOST CONCENTRATION IN FINAL SPRAY SOLUTION
Herbicide Hard to kill weed	100-800mL/100 L 400-800mL/100 L
Insecticides, miticides, fungicides	100-300mL/100 L (*50-200mL/100 L)
Plant growth regulators	50-100mL/100 L
Foliar nutrients	100-300mL/100 L (*50-200mL/100 L)

**PRECAUTIONS:** Do not apply to fruiting stages of cherries, pears, persimmons, pomegranates or table grapes or stressed crop, without first consulting your Rovensa Next or distributor representative.

**COMPATIBILITY:** OROBOOST is compatible with most agro-chemicals. However, compatibility may be influenced by other products in the tank mixture, therefore a preliminary small scale test should be done with the final mixture before spraying on the intended crops.

NOT FOR AQUATIC USE.

### NOTICE OF WARRANTY

CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES: To be read prior to using this product. The directions should be followed carefully together with good application practice. Failure to do so may cause injury to crops, animals, man or the environment. Extraordinary or unusual weather conditions may affect product performance and/or crop injury which are beyond the control of Oro Agri, Inc. (the "Company") or seller. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the Directions For Use. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Company's election, ONE of the following: 1. Refund of the purchase price paid by buyer or user for product bought. 2. Replacement of the product used. To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company/seller offer this product and the buyer/user accepts it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.

Approved pursuant to the HSNO Act 1996, approval code HSR002495. See [www.epa.govt.nz](http://www.epa.govt.nz) for controls applying to the substance.
